

Cigar and Smoking Tobacco Sales Rise in Massachusetts: FY 2002 – FY 2007

- Since Fiscal Year 2002, sales for smokeless tobacco have been stable while sales of cigars and smoking tobacco have increased steadily.
- Between FY 1997 and FY 2003, smokeless tobacco products consistently outsold cigar and smoking tobacco.
- Beginning in FY 2004, cigar and smoking tobacco sales exceeded the sales for smokeless tobacco. That trend has continued.
